1. The city of Tegucigalpa will have its first sand and gravel plant in the fall of 1954. Arena y Grava, SA has purchased hoists, electric motors, and accessories to the value of US\$21 thousand from one US firm. This equipment was shipped this month June 1954. The other equipment necessary to complete the plant is being purchased from both US and foreign firms.
2. Tegucigalpa is planning a paving and housing project which includes the paving of all main streets and the streets in all better residential sections as soon as possible. The city is also planning a large housing project, the details of which will be announced later.
